Re: Interconnection of Large Loads to the Interstate Transmission System, Docket No. RM26-4-000: Comments of Annesha Chowdhury

Dear Secretary Reese:

Pursuant to the Commission's invitation for public input in the above-referenced docket, enclosed please find the Comments of Annesha Chowdhury regarding AI-assisted dynamic line rating and physics-constrained study automation as tools to support timely, orderly, reliable, and non-discriminatory interconnection of large loads to the interstate transmission system.

I respectfully request that these comments be entered into the record of Docket No. RM26-4-000. Please direct any questions regarding this filing to the undersigned at the contact information above.

Respectfully submitted,

/s/ Annesha Chowdhury
